The Rocky Mountain News

DENVER'S ONLY MORNING NEWSPAPER

A Credit to the Judgment of its Readers

"SINCE 1859"

The Rocky Mountain News has led the thinking of the best element in the Rocky Mountain states. Today it continues to do so. It brings to its readers an editorial policy which is important and highly constructive. Its news services are supplied by the most reliable and progressive news organizations in the world. Mrs. Marketbasketeer, the apostle of the shopping bag, brings to the home the best offers of the best food dealers, as a part of the intimate interest The News takes in the wants of its subscribers.

The Denver Times

A NEWSPAPER FOR EVERY MEMBER OF THE FAMILY

In these days of sensational journalism it is a comfort to parents to be able to select an afternoon paper that will come into their homes free from morbid and immoral influence. Besides giving all the news of all the world that is acceptable to clean-minded Americans, The Times makes a special effort to interest and inform women. The Woman's Page is a daily feature, and every Friday, Mrs. Marketbasketeer, the apostle of the shopping bag, brings to the housewives the best offers of the best dealers in food products. Her following is large, and she is popularizing the use of the market basket.

THE SMITH-BROOKS PRESS

DENVER

Long Distance Service

From Oregon

After negotiating with various houses thruout the United States, we found the Smith-Brooks Company of Denver the most satisfactory; therefore, we feel it would be advantageous to you to secure their services.

From Utah

We are delighted with the booklet that you prepared on approval. It is very original and clever. Enclosed is our order for 20,000 copies.

From Arizona

Just received letterheads, folders and blotters. We are proud of this work. . . . It is needless for us to further express our satisfaction with the work and the courtesy you have shown in this connection.

From Montana

Never have you failed to give me just the right kind of work. Your ideas are splendid and your services very exceptional.

From California

Smith-Brooks is the best printing house in the West. I do not believe there is a firm in the United States that can do better work.

From New Mexico

I wish to express our appreciation and thanks for the manner in which you handled our booklet. It is very gratifying to intrust a work of this kind to you and have it as thoroly and beautifully done.

From Kansas

Naturally, in the course of our business we have seen a great deal of beautiful color work, but we never happened across any that was ahead of yours.

From Washington

We find it greatly to our advantage to give Smith-Brooks, of Denver, our work, for the quality is exceptional and their service all that could be desired.

From Massachusetts

Smith-Brooks work calls for special comment. In fact, it is among the most attractive we have received for a long while.

From Missouri

We are very pleased with the beautiful colored inserts and the handsomely designed letterhead. Enclosed is our order for 100,000 of each.

From Texas

We think your color work the most real and beautiful we have ever seen.

From Minnesota

Everyone here is enthusiastic over the exceedingly clever way you have handled our booklet. Have decided to order 250,000 copies.

From New York

Your work is above criticism and the best we have seen in a long time. Your ideas are so good we will use them in our other advertising.
